

## The Labrador Club and The Golden Retriever Club

### DOG WALK

**Muriwai Forest, Sunday, 25 August 2013**

**10:00am meet with walk to commence 10:15am**

**VENUE: Muriwai Forest, Coast Road, Muriwai - meet at 10:00 with walking commence 10:15am.**

There are several excellent walks but the one we are proposing heads away from the beach and into the forest alongside a gentle stream and is an easy walking track on soft grassy land.

**Directions:** Take SH16 out of Auckland and then take the Muriwai Beach turnoff (signposted) at Waimauku. Follow Muriwai Road as if going to the beach, Just before reaching the beach area you will find a small group of shops (café, takeaway, etc) on your right, shortly after that also on the right will be Coast Road. This is landmarked by the firehouse which is on the corner. Turn down Coast Road (gravel road) and follow this to the end. At the end, will be a large shady parking area on the left as well as a small gravel parking area on the right. We will be heading off to the right - away from the beach/surf - so you may want to park on the right.

We do hope you can attend and do please pass on to any Labrador friends who you think might be interested in the walk. Looking forward to seeing you there.

If you have any questions or need help with directions etc please give Sally a ring on 0272294803
