***The Labrador Club Inc*** is one of the largest breed Clubs within New Zealand with a consistent annual membership of 250-300 members. We try to offer our members a varied programme and we also issue our Club Bulletin four times annually. The Bulletin contains articles both helpful and informative about the breed. We have also printed a Handbook covering as many aspects of life with a Labrador as we can.

Our main events are our Championship Show, Ribbon Parades but we also have lectures from all sorts of interesting people; training in field trialling, and fun, competition days. All of these, you will hear about either via email when you receive the Club Bulletin quarterly.
