Dr Debbie Jones .. SPCA — trauma and emergency vet

Sally Felton R.A.N.A 30+ years in clinic experience

Pat Woollaston V.N An Tech 30+ years in clinic experience

What to do in the kind of emergencies that are most common with dogs.

What **are** emergencies.

What to do till the vet gets there.

How to medicate your dog.

Bandaging.

First aid kits.

We will have spare dogs but do bring your own to “practice” on.
