

The Labrador Club inc.

We have received several enquiries about the availability of Canine Good Citizen Classes. The Labrador Club does not hold these classes but East Auckland Dog Obedience Club does — they are the experts, and it does mean that your Lab will be doing classes with dogs of different breeds [not just Labs] and the first time you take him out for coffee he won't fall apart when he sees a poodle. One of the best things about these classes is the support that classmates give. Everyone's dog finds something a bit tricky— give it a try — it is worth it.

- The classes are fun and you will definitely form a closer bond with your dog — you will learn to trust each other.
- You will be able to take him/her many places secure in the knowledge that they know how to behave.
- It IS a recognised certificate with NZKC and many Councils.
- Points can be scored towards companion dog of the year.

East Auckland Dog Obedience Club CGC course [all levels]

Starts Wednesday 29th April

7:30 pm

6 week course

NZKC Auckland Exhibition Centre

For enrolment contact Sharon on 021331299

Costs \$80 which includes club membership, meaning if you want to join other classes throughout the year you can just go along.

Although dogs must be at least 12 months to sit the assessments classes can be taken at any age but baby puppies would find it a challenge.

Lab Club Committee members Jo Price 095773362 Sally Felton 0272294803 Pat Woollaston 095308746 will be happy to answer any queries about doing this course
