Forest Walk

Woodhill Forest – Muriwai
Sunday 19th April 2015
Meet at 9.45am for a 10.00am start

Looking forward to seeing everyone there. Hopefully it will be fine but a little rain does not put us off.

It is not restricted to members only – please bring the rest of the family if they would like to join in. You do need to bring your dogs, leads, suitable comfortable walking shoes and, if you wish, some snacks and water in a backpack.

This walk can be up to two hours long so members need to ensure their dogs are reasonably fit and these walks are not suitable for puppies under 10 months old. Dogs will be able to run free when we are in the forest but should be on leads before the walk starts.

Don't forget to bring towels for the dogs as they have a wonderful time in the water plus gathering sand in their wet coats!

There is a very nice cafe near the Muiwai beach and those who want to usually call in there to refresh themselves after the walk.

I won't be able to be at this walk but if you have any queries please ring any of these numbers;

Pat Woollaston 02749449143

Mike Gething 0272442143

Sally Felton 0272294803

Directions

Take Highway 16 to Helensville and take the Muriwai turnoff. When you get to Muriwai, follow the main road down the hill until you get to the Fire Station, turn right along Coast Road and drive past the Golf course to the car park where the walk will start. The entrance to the walk is across the road, so dogs on leads there.

We are always looking for new places to go to for our Club walks. If you know of any please tell me (Sally, see number above) or anyone on the Committee. They need to be areas where dogs can be safely off lead and with no worries of stock which could be upset.
