

The Labrador Club

Sunday 5th April 2020

Our next walk will be in Creamery Road Mangere.

It's a huge fenced off lead dog area where the dogs can run for miles!

There is a trough there with running water for the dogs to have a drink and a cool down before carrying on around the grassed area.

It is only 5 minutes off the South Western Motorway – directions below.

This walk is suitable for all dogs of any age. If you want to bring your puppy you can as long as he/she is fully vaccinated. You can make the walk as long or as short as you wish.

We love to see all the family on these walks and they are not exclusive to Labradors.

Meeting time: 9.30am

Directions

From the South...

Follow South Western Motorway (Highway 20) to Coronation Road - Exit 10

Left at Roundabout then right at lights onto Miller Road

Left onto Mountain Road then at the roundabout take the second exit onto Creamery Road and follow that for a few hundred metres.

The park is on the left.

From the North...

Follow State Highway 20 to Walmsley Road – Exit 10

Continue on Walmsley Road

Take Miller Road to Creamery Road

The park is on the left.

Plenty of parking on the road.

For queries before or on the day please phone Luana Coulam 021 299 5880

See you there!
